

Aligning Demand, Skills & Training with Industry Needs

MONDAY

Sept. 29, 2014

2:00pm - 8:00pm

TUESDAY

Sept. 30, 2014

8:30am - 3:00pm

The HR Policy Foundation Workforce Development Roundtable and the Community College Workforce Consortium are bringing together senior human resource leaders from the energy, manufacturing and technology industries to discuss the skills needed to address current and future workforce needs. The ultimate goal of this strategy forum is to identify education and training solutions, ensure solutions are aligned with industry recognized standards and build capacity to meet industry needs today and in the near future.
