

News & Updates

The Center of Excellence for Information & Computing Technology (COE) is here to provide IT faculty and deans with resources, industry insights, and more. We work with college and employer partners to build a more diverse, skilled, and accessible tech workforce for Washington state.

Program Info Survey – Industry Outreach

Please complete this [short IT Program Survey](#) by November 30th. We're working with employers on hiring your graduates and need to know more about the technical skills and targeted job titles associated with your programs. Thank you!

Upcoming Student Event: [Virtual STEM Career Fair](#)

Tuesday, November 15th, 11am-2pm

Report: [Advancing Mobility for Adult Learners](#)

Featured Partner: [CampusPoint](#)

CampusPoint is a staffing firm that focuses on opportunities for new grads in the Pacific Northwest. They are working to fill several IT positions that are perfect for students and new grads. There are no costs or fees for students and grads. Keep an eye out for CampusPoint events coming this Winter where students can learn more.

Please feel free to reach out to discuss how the Center of Excellence can support your information technology programs.

Thank you,
